

NORTH SHORE CITY COUNCIL

Election of five (5) Councillors for the Harbour Ward

Grant GILLON

Independent

Grant Gillon is a local man who, with his family, has lived and worked most of his life on the North Shore. He is well known for his passionate advocacy for Shore issues. Grant wants to put his experience as a businessman, a former Member of Parliament and skills developed from his recent PhD studies, to work for our community. 'We have suffered from poor planning and I will campaign for a 'green belt', increased consultation and improved local democracy. We have waited too long for our library and too long to get our transport woes fixed. I also oppose the proposed Whenuapai airport plans, the exorbitant rate increases and the privatisation of ratepayers' assets.'

He is a longstanding member of Northart, Birkenhead-Northcote Community Trust and numerous other community organisations. Grant's lifetime experience of Shore issues provides a unique perspective and a deep understanding of our community's needs.
