

## NORTH SHORE CITY COUNCIL

### Election of five (5) Councillors for the Central Ward

---

#### **Dianne HALE**

*Independent*

Dianne, married to Dennis, a businesswoman, mother, grandmother, and resident of Devonport for 40 years, has served five terms as a North Shore councillor, the last three as deputy mayor.

She considers the key issues facing the city are: addressing future governance issues; maintaining the community-agreed sewer and stormwater upgrade programme; providing an efficient, integrated transport system; acquiring more land for open space; protecting heritage; encouraging greater business prosperity and employment opportunities; fostering youth involvement and securing a safe, sustainable future for all.

A JP and Marriage Celebrant, Dianne is council's appointee on the Youth Council, a local government NZ National Councillor, patron of two clubs, and a trustee for the North Harbour Stadium.

She values the city's built heritage and green leafy environment, and is committed to their protection.

Dianne will continue to offer honesty and integrity when dealing with all issues, and welcomes communication with residents. [www.diannehale.co.nz](http://www.diannehale.co.nz)
