

# NORTH SHORE CITY COUNCIL

## Election of five (5) Councillors for the Harbour Ward

---

### **Heather BROWN**

*Independent Birkenhead Glenfield Northcote*

An Irish New Zealander, fulltime councillor since 1992 and Shore resident living in Birkenhead and Glenfield for 46 years. Widowed with an extended family who all enjoy the North Shore lifestyle. I am an independent non-aligned candidate with no political affiliation. This enables me to contribute to the debate on the basis of common sense, efficiency and cost, to reflect public opinion from the many

community groups with whom I am in constant touch.

I no longer support a commercial airport at Whenuapai, I support storage tanks for stormwater events, immediate rebuild of Birkenhead Library, clear usable waterways ie Hellyers Creek. Continuous bus services connecting North Shore centres and wish to eliminate graffiti and replace with community pride.

Current appointments Auckland Museum and Motat Electoral College, Waitemata Clean up Trust, Tourism Auckland, Glenfield Planning, Northcote Advisory (redevelopment State Housing) Northcote Mainstreet, trustee North Harbour Hockey and Chairperson Glenfield Historical Society.
